- Food, food and more food – see the Puckerbrush schedule for various fundraiser meals throughout the weekend – thanks for supporting Forest City organizations!
- Wood carvers session with work on display – Waldorf College Atrium (Sat, 8a-5p)
- Cat's Meow Jazz Band – Mt Valley Vineyard (Sat, 1-4p)
- Municipal Band Concert – Pammel Park (Sat, 9p until fireworks)

### Women's Driving Class/Sessions

Ladies, there may still be spaces available to drive either a Gas or Diesel coach. Instructors have added sessions this year. See the driving schedule and sessions available on the Sign-up Sheet outside Lisa's door in the WIT office at the Visitors Center. Preregistration is required, but all driving sessions leave from the Visitors Center daily now through rally week.

### First-Timers Meeting

First time at our rally? Don't miss the meeting on **Sunday at 10:30 a.m.** in the White Entertainment Tent just north of Friendship Hall. We'll answer all your questions and share some tips so you can make the most out of the GNR experience!

### Free Heritage Park Admission- Sunday!

Plan to attend the 9<sup>th</sup> Annual Heritage Festival on Sunday and receive free admission to the park just by wearing your GNR name badge. **This is the ONLY day during GNR that the park will be open for viewing this great historical display.** See buildings, machines and antiques dating back to the late 1800's. There will also be Scandinavian foods served and crafts will be on display. Transportation is available on the people mover or you may drive your golf cart to the Heritage Park grounds located just to the south of our rally grounds.
