

2011 WIT•GNR

THURSDAY'S HOLLER

July 21, 2011

Hillbilly Moonshine Run

Come check out the latest GNR competition! Watch a team of two maneuver through an obstacle course with the cart. The trick is the driver is blindfolded and the partner will use a harness ONLY to direct the driver which way to go. No speaking and most likely a lot of laughs from the crowd! The action starts in the Amphitheater 1 p.m.-3p.m. today!

Happy Camper Cookoff

This year's Happy Camper Cookoff throws in a HILLBILLY SURPRISE with mystery ingredients in the brown bag. Hmmm, possum anyone? We'll light the grills at 10:30 a.m. in Pavilion B – come watch the fun as four teams compete for this year's Grill Master title!

Youth fun today!!

The WIT Youth will be having fun all day long, but you should stop by to see them in action as they try out the Eurobungy Jumper and Inflatable Climbing Wall from 12-4 p.m. today. Thanks to all of our generous clubs and chapters who have donated to the Youth activities this year – the kids have had a fantastic week thanks to all of you!

THANK YOU HAMILTONS!

We want to say a very special thanks to a couple who have supervised the WIT GNR Youth Program for over 20 years! Chuck & Cindy Hamilton - you are the best! Your never-ending dedication to everyone's children and grandchildren who attend GNR is legendary! We hear many stories from members who say their adult children wish they could still come back to be part of GNR. This is their last year - we hope everyone will thank them for their service to our kids!

Tonight in the Amphitheater: JOE DIFFIE

Wear your "John Deere Green" and head on down to the Amphitheater tonight. Joe Diffie has several Country hits and will also showcase his Bluegrass talents with songs from his latest release, "Homecoming." Come out tonight to listen to some country hits and enjoy our last night together at GNR!
